TACOMA PUBLIC UTILITIES

IMPORTANT NOTICE

To our customers:

Please be informed that **effective July 1, 2006**, the City of Tacoma Building and Land Use Services' combination permit for new single-family dwelling will no longer include electrical permits.

Due to code changes, **all electrical permits must be purchased directly from Tacoma Power's Electrical Inspection Office**. We are located on the 3rd floor of the Tacoma Public Utilities Administration Building at 3628 South 35th Street, Tacoma, WA 98409.

Other changes include:

- In accordance with Tacoma Municipal Code 2.04.250, all fees associated with the electrical permit application must be paid at the time of issue.
- An owner residing at the property doing electrical work must submit an owner of occupancy affidavit, to complete the application process as required by Tacoma Code 2.04.230 A2.
- All electrical work on the property for sale or lease must be completed by the electrical contractor, as required by RCW 19.28.101.

If you have questions, please call 253-502-8435.

Sincerely,

Pat Finney
Chief Electrical Inspector
